PRESIDENT'S POST

Hi Members and Volunteers,

What an extremely hot month we are experiencing! The lawn and plants have put in a request for a large umbrella.

Let me give you a quick update on what the board has been working on. First, we are tallying up results of the membership survey. This is a critical component of our planning and helps us to develop services, programs and communication methods that work for our members. If you have not yet completed the survey questionnaire, then take a minute and do it now. I know it is past the submission

deadline, but your input and opinions will be appreciated.

Next, we are working to improve our website. The board voted unanimously to invest in a more user friendly and interesting website for our members, volunteers, and the community at large.

Margo Pearson graciously volunteered to work with me to lead the project. We hope to have the system updated in a couple of months.

Bruce Cunningham continues to host a number of social activities. I recently attended the brunch at the new bagel shop, Fuhgedaboutit Bagel Company. What a nice little spot. The bagels were fresh and delicious.

Erika Pratt, who recently returned from Honduras, hosted a brunch last Saturday for volunteer drivers and the call managers who schedule ride requests. We are very fortunate to have such caring and committed team leaders donating their time and talents to Aging in Place – The Woodlands.

We are investigating a number of new opportunities and I will have more updates for you in our next newsletter. In the meantime, stay cool and well-hydrated.

Best wishes,

Robyn
